KATHRYN GREEN

I could never truly tell you.
Never found a good time,
I thought my actions spoke louder.
All the banter and playing hard to get.

I should never truly tell you.
There will never be a good time,
If you can't read my actions,
I'm sorry you'll never know.

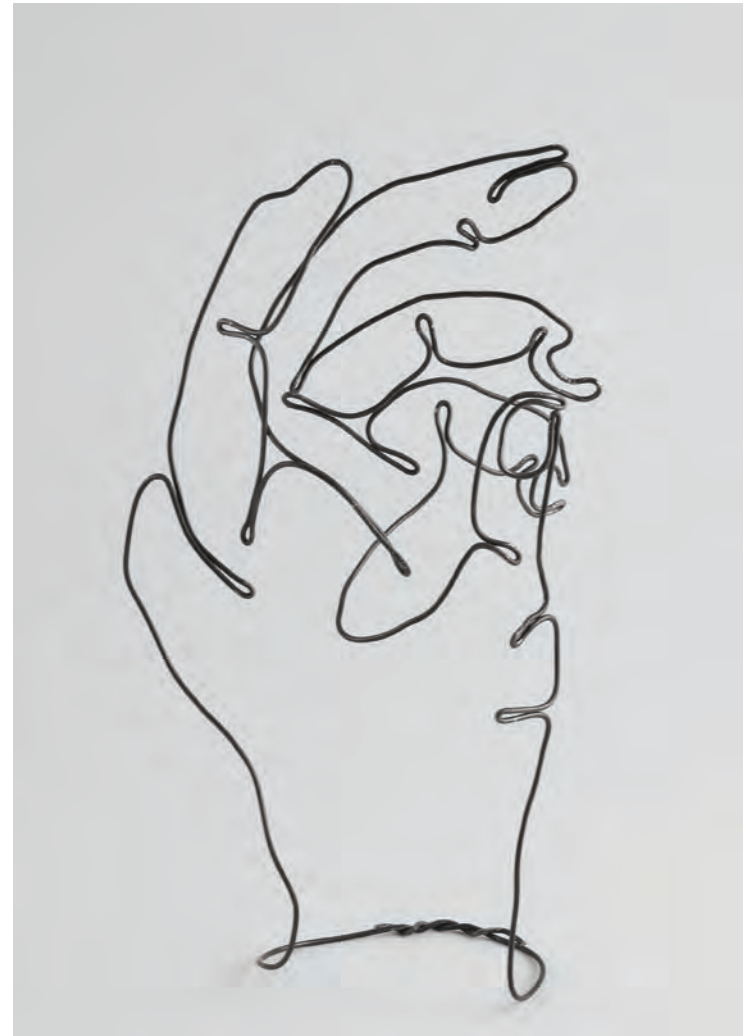

I would tell you, truly.
Fuck the timing.
Maybe you'll read my lips,
I love you truly.
