DREAMS

ADAM TILLMAN

Everything reminds me of you
Walking in front of the building
Where we shared our feelings
Driving where we once drove

The feelings and thoughts
Never seem to fade away
Even when people say

Every night in my dreams
I'm holding your hand
Dancing on the beach
Red Dress so grand

I guess I'm only truly happy
When I'm asleep

Oh, say what is beauty?
What is it and where?
Just look in the mirror,
The answer lies there.
