Payment Policy

METHODS OF PAYMENT

Northwest College accepts cash, checks, money orders; VISA, MasterCard and Discover credit cards. Payment may be made in the Business Office or by mail, telephone or online (*MyNWC.northwestcollege.edu*).

TUITION PAYMENT POLICY

Payment of tuition and fees may be made at any time after registering for classes.

The deadline for payment in full of all charges (tuition, fees, room, rent, meals) **is the first day of the semester.**

Any student with an unpaid balance will be subject to withdrawal from all classes thirty days after the beginning of the semester. If withdrawn for non-payment, the student will remain responsible for the entire balance owed, with interest charged monthly at a rate of 1.00% (12% annual rate). Bills will be mailed monthly until the account has been paid. Accounts that remain unpaid for two semesters following the unpaid semester will be sent to an outside collection agency.

Students residing on campus who have been withdrawn from classes will be checked out of their rooms or apartments and their meal plans will be discontinued.

Registration in classes and transmission of transcripts are services provided to students who have paid Northwest College in full.

Any student who registers for classes and decides not to attend must notify the Northwest College Registrar in writing or via e-mail (*registrar@northwestcollege.edu*) within the first 10% of the semester in order not to be charged any tuition and fees. See the refund policy below or in each semester's Class Schedule for specific dates and amounts of refunds.

Bills are mailed to students on or about the 15th day of the month prior to the

beginning of classes. It is not necessary to wait for a bill before making payment. A statement of your account may be seen at any time online through the Northwest College student portal (MyNWC.northwestcollege.edu). You may also contact the Business Office to inquire about your balance or if you have other student account questions.

Refund Policy

Refunds are made by check every Friday. Please be sure the Registrar has your correct address.

Any student who preregisters for classes and then decides not to attend must notify the Northwest College Registrar in writing or via e-mail (registrar@northwestcollege.edu) during the first 10% of the semester in order to not be charged for tuition and fees. The effective date of withdrawal will be the date notification is received by the Registrar.

CREDIT BALANCES

Golden Age

Park County residents who are 60 years of age or older qualify to have tuition waived for up to six credit hours per semester. The waiver applies to tuition only. Fees are not waived. Individuals wishing to use the waiver must enroll in credit classes. Audited, noncredit and workforce development classes do not qualify for the waiver. To obtain a Golden Age tuition waiver, contact the Financial Aid and Scholarships Office.

Golden Age cards are also available. These cards admit the holders to most college social, cultural and athletic events without charge. This card also admits holders to the Johnson Fitness Center and selected events at reduced rates. To

obtain a Golden Age card, contact the Enrollment Services Office.

Financial Aid

Northwest believes students with scholastic ability should not be denied a college education. Through institutional, state, and federal programs, Northwest attempts to assist students in meeting their financial obligations. Complete information is available from the Financial Aid and Scholarships Office.

Federal Aid

Federal financial aid available at Northwest College can be divided into three categories: grants, employment, and loans. Grants are a form of gift aid for students with documented financial need. Employment is provided through federally and institutionally supported on-campus job opportunities. No or low-interest federal loans are also available.

APPLICATION PROCEDURE

To apply for federal financial aid, all students must complete the Free Application for Federal Student Aid (FAFSA). The FAFSA is available on the Web at www.fafsa.ed.gov, or a paper application from NWC's Financial Aid and Scholarships Office or a high school guidance counselor's office. There is no absolute deadline for applying for financial aid. Students should submit the Free Application for Federal Student Aid as soon as possible after January 1, but NWC's priority deadline is March 1.

TYPES OF FEDERAL GRANTS/WORK STUDY

Federal Pell Grant

To be eligible for a Federal Pell Grant, a student must complete the Free Application for Federal Student Aid (FAFSA) and be degree-seeking. Award amounts range from \$400 to \$4,050 per year and are determined by a formula mandated by Congress.

Federal Supplemental Educational Opportunity Grant (FSEOG)

To receive FSEOG, students must be

Pell Grant eligible and show exceptional need. Award amounts range from \$400 to \$800 per year.

Leveraging Educational Assistance Partnership Program (LEAPP)

To receive LEAPP, a student must be a resident of Wyoming, be Pell Grant eligible and show exceptional financial need.

Federal Work Study

Degree seeking students who show financial need and enroll in a minimum of six credit hours per semester may earn a portion of their educational expenses through part-time employment on campus. Students must be paid at least the federal minimum wage and are paid on a monthly basis.

FEDERAL FAMILY EDUCATION LOAN PROGRAM

Federal Stafford Loan

The amount eligible students may borrow to meet educational expenses varies based upon specific criteria. Stafford loans may be subsidized (interest free) or unsubsidized (interest accrues). Repayment of principal begins six months after the student is no longer enrolled at least half time.

Federal Parent Loan Program (PLUS)

The PLUS loan is available to parents of dependent students. Parents may borrow up to the full cost of attendance minus other financial aid to meet educational costs. The interest rate is variable.

STANDARDS OF PROGRESS FOR ALL FEDERAL FINANCIAL AID RECIPIENTS

In accordance with federal regulations, Northwest College has established a policy to define and administer standards of satisfactory academic progress for students receiving Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Leveraging Educational Assistance Partnership Program, Federal College Work Study, and loans from the Federal Family Education Loan Program. Students receiving federal assistance must maintain satisfactory academic progress in a program of study leading to a degree or certificate.

Students have many opportunities to

receive a copy of the Standards of Satisfactory Academic Progress Policy, including

- copies sent to all applicants,
- two copies attached to all award letters; recipients must sign and return one copy, and
- copies available at the NWC Financial Aid and Scholarships Office.

Contact the NWC Financial Aid and Scholarships Office with questions about the policy.

RETURN TO FEDERAL TITLE IV FUNDS POLICY

This policy applies to students who have been awarded assistance through the Federal Pell Grant, FSEOG, LEAPP, or Federal Family Education Loan Program (Stafford and PLUS loans). For these students, the Federal policy overrides the Northwest College Refund Policy, which is published in the Semester Class Schedule and Northwest College Catalog.

If a student: a. Does not register for courses, b. Registers but does not begin attendance, or c. Withdraws, drops out, or otherwise cancels his or her registration on or before the first day of classes, all federal aid offered to that student for that semester will be cancelled. Students who have signed a campus housing contract will be subject to the terms of that contract and will not receive financial aid for any debt thereby incurred. Students who withdraw, drop out, are expelled, or are administratively withdrawn after the first day of classes will be subject to the Federal Return of Funds Policy. Students may be required to repay a portion or all of the assistance they received.

The Return to Federal Title IV Funds Return Policy requires that a refund calculation be performed for any student who withdraws before the 60% point of any semester. (After the 60% point, the calculation assumes that 100% of the aid awarded was earned). The number of days up to and including the withdrawal day is divided by the number of days in the semester to determine the percentage of enrollment completed. The institutional charges (tuition and fees) are then multiplied by the above-calculated percentage

to determine the amount of Title IV Aid earned. The amount earned is then subtracted from the total institutional charges to determine the unearned funds.

These unearned funds are then returned to the financial aid programs in the following order as required by federal regulations: Federal Unsubsidized Stafford Loan, Federal Subsidized Stafford Loan, Federal Parent PLUS Loan, Federal Pell Grant, Federal SEOG, LEAPP, other federal, state or private financial assistance, then Northwest College financial assistance.

If a student has received unearned funds that must be repaid to these programs, Northwest College will notify the student in writing of the amounts and which programs they owe within 45 days of withdrawal from classes. Any refund remaining after all sources of assistance have been repaid will be returned to the student.

A student must complete an official drop/change of status form (which can be obtained at the Office of Enrollment Services), have it signed by the Financial Aid and Scholarships Office and file it with the Registrar. Examples of refund calculations and the full policy are available upon request at Enrollment Services.

Other Financial Aid

STUDENT EMPLOYMENT

Northwest College has a large on-campus institutional employment program. Need is not a factor. The only criterion is the student's willingness to work. Students accepted as degree-seeking and enrolled in at least six credit hours may be employed and are paid at least the federal minimum wage. Northwest offers off-campus employment opportunities through the Cooperative Education Office. Many businesses in the community employ students on a part-time basis.

VETERANS' BENEFITS

For veteran enrollment information, contact the Registrar in Enrollment Services. Veterans who wish to use their G.I. Bill educational benefits must complete an

application for veterans' benefits 60 days prior to enrollment to ensure payment the first month of the semester. Application may be made online at www.vba.va.gov or paper applications are available in the Registrar's Office. Continuing veterans must contact the Registrar when registering for classes to ensure timely certification.

Scholarships

Scholarships are awarded by Northwest, private citizens, service clubs, and business organizations. Approximately \$2 million is awarded annually to full- and part-time students. Detailed descriptions of scholarships are available on the Financial Aid and Scholarships Web site at www.northwestcollege.edu/Schol. Scholarship recipients must complete specific requirements noted in the scholarship descriptions and on the award letter.
